Never made it as a wise man  
I couldn't cut it as a poor man stealin'  
Tired of livin' like a blind man  
I'm sick sight without a sense of feelin'

This is how you remind me  
This is how you remind me of what I really am

It's not like you to say sorry, I was waiting on a different  
story  
This time I'm mistaken for handing you a heart worth  
breaking  
I've been wrong, I've been down, been to the bottom of  
every bottle  
These five words in my head scream "Are we having  
fun yet?"

It's not like you didn't know that  
I said I love you and I swear I still do  
It must have been so bad  
Cause livin' with me must have damn near killed you

This is how you remind me of what I really am  
This is how you remind me of what I really am

It's not like you to say sorry, I was waiting on a different  
story  
This time I'm mistaken for handing you a heart worth  
breakin'  
I've been wrong, I've been down, been to the bottom of  
every bottle  
These five words in my head scream "Are we having  
fun yet?"

Never made is as a wise man
