My best friend gave me the best advice
He said each days a gift and not a given right
Leave no stone unturned
Leave your fears behind
And try to take the path less traveled by
That first step you take is the longest stride

If today was your last day
If tomorrow was too late
Could you say goodbye to yesterday
Would you live each moment like your last
Leave old pictures in the past
Donate every dime you have
If today was your last day

Going against the grain should be a way of life
What's worth the price is always worth the fight
Every second counts cause there's no second try
So live it like you're never living twice
Don't take the free ride in your whole life

If today was your last day
If tomorrow was too late
Could you say goodbye to yesterday
Would you live each moment like your last
Leave old pictures in the past
Donate every dime you have
And would you call old friends you never see
Reminisce old memories
Would you forgive your enemies
And would you find that one your dreaming of
Swear up and down to god above
That you'll finally fall in love
If today was your last day

If today was your last day
Would you make your mark
On ending a broken heart
You know it's never too late
To shoot for the stars
Regardless of who you are
So do whatever it takes

Cause you can't rewind
A moment in this life
Let nothing stand in your way
Cause the hands of time
Are never on your side

If today was your last day
If tomorrow was too late
Could you say goodbye to yesterday
Would you live each moment like your last
Leave old pictures in the past
Donate every dime you have
And would you call old friends you never see
Reminisce old memories
Would you forgive your enemies
And would you find that one your dreaming of
Swear up and down to god above
That you'll finally fall in love
If today was your last day
