And you see much better than I see
And you know all that I'm thinking
To define or redefine, too slow
And it seems all that I'm sinking

Running through the deep
Gonna find the backwoods
I found out, yeah, yeah
All day long, who will be the big men?
Giving some, yeah

And you bleed much better than I bleed
And you've shown all that is so good
And your word, much better than my word
And you stand right where a hole should

Running through the deep
Gonna find the backwoods
I found out, yeah, yeah
All day long, who will be the big men?
Giving some, oh

Oh yeah, oh yeah
Oh yeah, oh yeah, oh

To feel divine, to hold onto ones self
To give and to give and
To never receive by myself

Running through the deep
(I want it)
Gonna find the backwoods
(I need it)
I found out
(I found much more than he did)

All day long who will be the big men
(To give it back somehow)
Giving some
(I'm ready to forgive now)

Running through the deep

Gonna find the backwoods
I found out, yeah, yeah
All day long, who will be the big men?
Giving some, yeah

Ooh yeah, oh yeah

Running through the deep
Gonna find the back backwoods
I found out gonna get it gonna get it
All day long, who will be the big men?
Are you really, really gonna get it?
