You know there's a dirty word  
Never gonna say it first  
No, it's just a thought  
That never crosses my mind

Maybe in the parking lot  
Better bring your friend along  
Better rock together  
Than just one at a time

S is for the simplicity  
E is for the ecstasy  
X is just to mark the spot  
'Cause that's the one you really want

Yes, sex is always the answer, it's never a question  
'Cause the answer's yes, oh the answer's yes  
Not just a suggestion, if you ask a question  
Then it's always yes, yeah

I'm loving what you wanna wear  
I wonder what's up under there  
Wonder if I'll ever have it  
Under my tongue

I'll love to try to set you free  
I love you all over me  
Love to hear the sound you make  
The second you're done

S is for the simplicity  
E is for the ecstasy  
X is just to mark the spot  
'Cause that's the one you really want  
Yes, sex is always the answer, it's never a question  
'Cause the answer's yes, oh the answer's yes  
Not just a suggestion, if you ask a question  
Then it's always yes

Yeah, yeah, yeah  
(Yes)  
Yeah, yeah, yeah

Yeah, yeah, yeah  
Yeah, yeah

S is for the simplicity  
E is for the ecstasy  
X is just to mark the spot  
'Cause that's the one you really want

Yes, sex is always the answer, it's never a question  
'Cause the answer's yes, oh, the answer's yes  
Not just a suggestion, if you ask a question  
Then it's always yes, yeah

Yes, sex is always the answer, it's never a question  
'Cause the answer's yes, oh, the answer's yes  
Not just a suggestion, if you ask a question  
Then it's always yes

Yeah, yeah, yeah  
(Yes)  
Yeah, yeah, yeah  
Yeah, yeah, yeah  
(Yes)  
Yeah, yeah

Yeah, yeah, yeah  
(Yes)  
Yeah, yeah
