There's clothes all over the floor  
I don't remember them being here before  
Smell of perfume isn't here  
Why's lipstick on the mirror?  
And still I don't understand

No pictures left in the hall  
There's three new holes in my wall  
Where the hell's my credit cards?  
Why's my wallet in the yard?  
And still I don't understand

Well now I guess I should've listened  
When you said you'd had enough  
A little trick I picked up from my father  
In one ear and out the other  
Why's love gotta be so tough?

Should see the look on my face  
My shit's all over the place  
Why's this happening to me?  
Why'd you take both sets of keys?  
And still I don't understand

Well now I guess I should've listened  
When you said you'd had enough  
A little trick I picked up from my father  
In one ear and out the other  
Why's love gotta be so tough?  
And now I guess I should've listened

There's clothes all over my floor  
I don't remember them being there before  
There are no candles in here  
Lipstick's still on my mirror  
And still I don't understand

Now I guess I should've listened  
When you said you'd had enough  
A little trick I picked up from my father  
In one ear and out the other  
Why must love be so tough?

Well now I guess I should've listened  
When you said you'd had enough  
A little trick I picked up from my father  
In one ear and out the other  
Why's love gotta be so tough?
