"Stop And Stare"

This town is colder now
I think it's sick of us
It's time to make our move
I'm shakin' off the rust
I've got my heart set
on anywhere but here
I'm staring down myself, counting up the years
Steady hands just take the wheel
Every glance is killing me
Time to make one last appeal for the life I lead

Stop and stare
I think I'm moving, but I go nowhere
Yeah, I know that everyone gets scared
But I've become what I can't be
Ohhh

Stop and stare
You start to wonder why you're here not there
And you'd give anything to get what's fair
But fair ain't what you really need
Oh, can you see what I see

They're tryin' to come back, all my senses push
Untie the weight bags I never thought I could
Steady feet don't fail me now,
I'm a run till you can't walk
But something pulls my focus out, and I'm standing
down.

Stop and stare
I think I'm moving but I go nowhere
Yeah, I know that everyone get scared
But I've become what I can't be
Whoa

Stop and stare
You start to wonder why you're here not there
And you'd give anything to get what's fair
But fair ain't what you really need
Oh, you need
Oh, you need

Oh, you need
Oh, yeah
Oh, yeah

Stop and stare
I think I'm moving but I go nowhere
Yeah, I know that everyone get scared
I've become what I can't be
Oh, do you see what I see
