Are you serious do you believe in this? Destroying
dreams, replacing things Will you marry me becomes
the death of me.

loves destiny you say is free but there is a price for
such a life. Take it All

I had dreams but love is not so it seems. I had it all and
it went through the wall. Her conscious is not enough
for my sake its tough

Loves destiny you say its free but there's a price for
such a life. Take it All

Come to her senses though my loves put up defenses.
Another love for you.He can't imagine what you put me
through.

Loves destiny you say is free but there's a price to pay
for such a life. Take it All
