Never made it as a wise man
I couldn't cut it as a poor man stealin'
Tired of livin' like a blind man
I'm sick of sight without a sense of feelin'
And this is how you remind me

This is how you remind me
Of what I really am
This is how you remind me
Of what I really am

It's not like you to say sorry
I was waiting on a different story
This time I'm mistaken
For handing you a heart worth breakin'

And I've been wrong, I've been down
Been to the bottom of every bottle
These five words in my head
Scream, "Are we having fun yet?"

Yet, yet, yet, no no
Yet, yet, yet, no no

It's not like you didn't know that
I said, "I love you", and I swear I still do
It must have been so bad
'Cause living with me must have
Damn, near killed you

And this is how you remind me
Of what I really am
This is how you remind me
Of what I really am

It's not like you to say sorry
I was waiting on a different story
This time I'm mistaken
For handing you a heart worth breakin'

And I've been wrong, I've been down
Been to the bottom of every bottle

These five words in my head
Scream, "Are we having fun yet?"

Yet, yet, yet, no no
Yet, yet, yet, no no
Yet, yet, yet, no no
Yet, yet, yet, no no

Never made it as a wise man
I couldn't cut it as a poor man stealing
And this is how you remind me
This is how you remind me

This is how you remind me
Of what I really am
This is how you remind me
Of what I really am

It's not like you to say sorry
I was waiting on a different story
This time I'm mistaken
For handing you a heart worth breakin'

And I've been wrong, I've been down
Been to the bottom of every bottle
These five words in my head
Scream, "Are we having fun yet?"

Yet, yet, "Are we having fun yet?"
Yet, yet, "Are we having fun yet?"
Yet, yet, "Are we having fun yet?"
(Five words in my head)
Yet, yet, [Incomprehensible]
(Five words in my head)
