I paid my last respects this morning on an early grave
Already said goodbye, nothing left to say
A tiny church, a tiny town and not a tear was spent
Not how I wanted it, I'm hating all of this

Well, I'm hating, all of this
I'm hating, all of this
All of this, all of this

Now I know why, I hide my love from you some days
No, I don't mind keeping this bottled inside me
You came along, and tore this wall down around me
Looks like you found me, now I know why
I felt like shit when I woke up this morning

I've been a loser all my life, I'm not about to change
If you don't like, there's the door, nobody made you stay
There ain't a woman on the planet who can deal with it
Just how I wanted it, I'm hating all of this

Well, I'm hating, all of this
I'm hating, all of this
All of this, all of this

Now I know why, I hide my love from you some days
No, I don't mind keeping this bottled inside me
You came along, and tore this wall down around me
Looks like you found me, now I know why
I felt like shit when I woke up this morning

All of this, all of this, yeah

Now I know why, I hide my love from you some days
No, I don't mind keeping this bottled inside me
You came along, and tore this wall down around me
Looks like you found me, now I know why
I felt like shit when I woke up this morning
