You call to me... and I fall at your feet  
how could anyone ask for more  
and our time apart... like knives in my heart  
how could anyone ask for more

But if there's a pill  
to help me forget  
God knows I haven't found it yet  
but I'm dying to  
God I'm trying to 'cause

Trying not to love you  
only goes so far  
and trying not to need you  
is tearing me apart  
can't see the silver lining  
from down here on the floor  
and I just keep on trying  
but I don't know what for  
'cause trying not to love you  
only makes me love you more

And this kind of pain... only time takes away  
that's why it's harder to let you go  
nothing I can do... without thinking of you  
that's why it's harder to let you go

But if there's a pill  
to help me forget  
God knows I haven't found it yet  
but I'm dying to  
God I'm trying to 'cause

Trying not to love you  
only goes so far  
and trying not to need you  
is tearing me apart  
can't see the silver lining  
from down here on the floor  
and I'll just keep on trying  
but I don't know what for

'cause I'm trying not to love you  
only makes me love you more

So I sit here divided  
just talkin' to myself  
Was it something that I did?  
Was there somebody else?

When a voice from behind me  
that was fighting back tears  
sat right down beside me  
whispered right in my ear  
said I've been dying to tell you...

That trying not to love you  
only went so far  
and trying not to need you  
was tearing me apart

Now I see the silver lining  
and what we're fighting for  
if we just keep on trying  
we could be much more  
'cause I'm trying not love you  
ya trying' not to love you  
only makes me love you more
