Nickelback
"Use Somebody"

I've been roaming around
Always looking down at all I see
Painted faces fill the places I can't reach

You know that I could use somebody x2

Someone like you
And all you know
And how you speak
Countless lovers undercover of the street

You know that I could use somebody
You know that I could use somebody
Someone like you

Off in the night
While you live it up I'm off to sleep
Waging wars to shape the poet and the beat

I hope it's gonna make you notice x2

Someone like me
Someone like me
Someone like me
Somebody

Someone like me
Somebody

I've been roaming around
Always looking down at all I see
