Visit "[Worthy To Say](#)" on [MotoLyrics.com](http://MotoLyrics.com)

They usually come around about 10 o'clock  
You can hear them  
You can tell them by the way they knock  
Somebody said the other one had a badge  
Who told you? Who told you?

How 'bout if I stay and you run away  
Well come on back and try to get some today  
Well somebody's gonna do it again  
Gonna make me turn against all of my friends  
So you better have something damn worthy to say

They're growin' dope everywhere around the block  
You can smell it  
You can tell by the way they talk  
Somebody stole five for gasoline  
Who told you? Who told you?

How 'bout if I stay and you run away  
Well come on back and try to get some today  
Well somebody's gonna do it again  
Gonna make me turn against all of my friends  
So you better have something damn worthy to say

I'll never do it again  
(No I won't)  
Let's settle it  
(We don't)  
I can't afford my life 'cause I'm spendin' it

Since you got just what you wanted

We never do anything anymore  
One on the telephone, one on the door  
Somebody said revenge was served sweeter cold  
I told you, I told you

They're growin' dope everywhere around the block  
You can smell it you can tell it by the way they talk  
Somebody stole five for gasoline  
Who told you? Who told you?

How 'bout if I stay and you run away  
Well come on back and try to get some today  
Well somebody's gonna do it again  
Gonna make me turn against all of my friends  
So you better have something damn worthy to say

I'll never do it again  
(No I won't)  
Let's settle it  
(We don't)  
I can't afford my life 'cause I'm spending it  
Since you got just what you wanted

I'll never do it again  
(No I won't)  
Praise myself  
(I don't)  
I can't afford my life 'cause I'm spending it  
Since you got just what you wanted  
What you wanted, what you wanted  
What you wanted
