Did you see? Was I obvious?
Could you tell I did try to hide it?
We can't have, can we try just to share?
I did try to take it

When I look, I see you in me
I don't wanna fight it
Shelter us from the storm
It's so warm, I get lost inside it

Out of my mind
Into yours
Out of my mind
Into yours

Take it slow, we got time to find it
We don't have to chase it
Got no push, got no shove
We just got love, we don't have to force it

Out of my mind
Into yours
Out of my mind
Into yours
Out of my mind

We got change, it's changing all the time
You got yours and I got mine
Promise me that you won't promise me
Revelation sunshine because I'm

Out of my mind
Into yours
Out of my mind
Into yours

Out of my mind
Into yours
Out of my mind
Into yours

Out of my mind

Into yours
Out of my mind
Into yours
