Keep your eyes on the road, your hands upon the wheel  
Keep your eyes on the road, your hands upon the wheel  
Yeah, we're going to the roadhouse, gonna have a real  
good time.

Yeah, the back of the roadhouse, they got some  
bungalows

Yeah, the back of the roadhouse, they got some  
bungalows

And that's for the people who like to go down slow.

Let it roll, baby, roll  
Let it roll, baby, roll  
Let it roll, baby, roll  
Let it roll all night long.

You've got to thrill my soul, all right  
You've got to roll, roll, roll  
Thrill my soul, etc.  
Roll, roll, roll, roll

Ashen lady  
Ashen lady  
Give up your vows  
Give up your vows  
Save our city  
Save our city  
When I woke up this morning, I got myself a beer

Right now.  
The future's uncertain and the end is always near.  
Let it roll, baby, roll  
When I woke up this morning, I got myself a beer

Let it roll, baby, roll  
Let it roll all night long  
Let it roll, baby, roll
