One fine day with a woof and a purr
a baby was born and it cause a little stir
no blue buggy
no three-eyed dog
just a feline kanine little catdog

catdog
catdog
alone in the world was a little catdog

out on the road or back in town
all the little critters put catdog down
trying to be brothers
trying to get along
trying to walk together
trying to sing this song

catdog
catdog
alone in the world was a little catdog

catdog
catdog
alone in the world was a little catdog
alone in the world was a little catdog
