(Ziggy)

Hot pile on the candy it's such a pretty sight it makes
the food taste
dandy but my tummy hurts all night

(Stingy)

I'll put in some ingredients but keep the rest for me
I'm not just disobediant I'm careful can't you see

(Stephanie)

It's a piece of cake
to bake a pretty cake if the way is hazy
you gotta do the cooking by the book you know you
can't be lazy
never use a messy recipe the cake would end up crazy
if you do it by the book then you'll have a cake
we gotta have it made you know that I love cake
finally it's time to make a cake

(Pixel)

Making food is just like science with tools that blend
and baste
every fun appliance gives the food a different taste

(Stephanie)

It's a piece of cake to bake a pretty cake if the way is
hazy
you gotta do the cooking by the book you know you
can't be lazy
never use a messy recipe the cake will end up crazy
if you do the cooking by the book then you'll have a
cake
we gotta have it made you know that I love cake
finally it's time to make a cake
we gotta have it made you know that I love cake
finally it's time to make a (you gotta do the cooking by
the book) cake
