He's a phantom
Danny Phan- Danny Phan- Danny Phantom

Yo Danny Fenton he was just 14 when his parents built a very
strange machine

It was designed to view a world unseen
(he's gonna catch em all cuz he's Danny Phantom)

When it didnt quite work his folks they just quit
then Danny took a look inside of it
there was a great big flash
every thing just changed
his molecules got all rearranged

(phantom phantom)

When he first woke up he had realized he had snow white hair
and glowin green eyes
he could walk through walls
dissappear and fly
he was much more unique then the other guys
and it was then Danny knew what he had to do
he had to stop all the ghosts that were comin through
he's here to fight for me and you

(he's gonna catch em all cuz he's Danny Phantom, gonna catch em all cuz he's Danny Phantom,
gonna catch em all cuz he's)

He's Danny Phantom
