Norm:

(Playing jazzy number)

I'm a swinging G-E-N-I-E  
Huh? Hey  
Let me tell you  
What that spells to me  
When I'm shoved in a lamp,  
It's cold and damp, man!  
My wishing power stops  
At three  
And that's pretty dang  
Annoying to me  
I want that crazy power  
You fairies got  
To grant those wishes  
That you grant a lot  
Hey!  
To give each and every child  
A great big smile  
To me this means a lot  
It ain't no evil plot.

[Chorus]

Gimme the wand, and you'll all see  
Gimme the wand, your fairy, I'd be  
Gimme the wand  
Da-do-da-dee  
I'll make you a natural blond,  
If you give me the wand  
(Shoo-doop-shoo-be-do-wah)  
(snake charmer music playing)

Cosmo:

I'm a...  
Oh, hang on.  
F-A-I-R-Y  
We did our very best  
For this bucktoothed guy

(Shoop-bah-doo-bap-  
Dooby-doo-wah!)  
That vest-wearing slob  
He may want  
Our job

Norm:

Well, duh

Cosmo:

But give us  
One more try  
You really can't deny

Cosmo and Norm:

Give us the wand,  
We'll have a ball  
(Doot-doot-bap-dooby-doo-zow!)

Norm:

Give me the wand

Wanda:

He'll enslave you all!  
(Doot-doot-bap-dooby-doo-zow!)

Cosmo and Norm:

Give us the wand  
A-do-doo-dow  
(Doot-doot-bap-dooby-doo-zow!)  
We really hope  
You all respond  
Come on, give us the wand  
And set me free  
(Doot-doot-bap-dooby-doo-zow)  
Give us the wand  
And hear our plea  
Give us the wand,  
A-doo-dah-dee  
Don't let yourself be conned  
Now give us the wand.  
(music ends)
