You get the limo out front  
Every style, every shoe, every color,  
Ya when your famous it can be kinda fun  
It's really you but no one ever discovers  
In some ways your just like all your friends  
But on stage your a star

You get the best of both worlds  
Chill it out, take it slow  
Then you rock out the show  
You get the best of both worlds  
Mix it all together and you know that it's the best of  
both worlds  
The best of both worlds

You go to movie premires( is that Orlando Bloom!)  
Hear your song on the radio  
Living two lives is a little wierd, Yeah  
But schools cool cuz nobody knows  
Ya you get to be a small town girl  
But big time when you play your guitar

You get the best of both worlds  
Chill it out, take it slow  
Then you rock out the show  
You get the best of both worlds  
Mix it all together and you know that it's the best of  
both  
You know the best of both worlds

You get your face in all the magazines  
The best part is that  
You get to be whoever you want to be

Chill it out, take it slow  
Then you rock out the show  
You get the best of both worlds  
Mix it all together and you know that it's the best

You get the best of both worlds  
Chill it out, take it slow

Then you rock out the show  
You get the best of both worlds  
Mix it all together, oh ya  
It's so much better cuz you know you've got the best of  
both worlds
