WHO SAID

I'm more than just
Your average girl.
I like to turn me up
And show the world.

Oh yeah
'Cause some can talk the talk
But this girl just wants to rock
I'm individual
I'm not like anyone

I can be glamorous
Just like you see in all the magazines
I can be cool as ice
Or anything I wanna be

Who said, who said, I can't be Superman
I say, I say, that I know I can
Who said, who said, I won't be president
I say, I say, You ain't seen nothin' yet

Oh yeah
Yeah

Ya wanna make some noise,
Every girl has a choice.
To live their own parade
I do it my way! Ow!
I can be soft and sweet
Or louder than the radio, (radio)
I can be sophisticated or totally dull! Totally dull!
I'm Out of control

Who said, who said, I can't be Superman!
I say, I say, that I know I can
Who said, who said, I'm not electrified
I say, I say

There's no holding back

When your right on track
'Cause you've been told again
So let 'em know your name
No limitations on imagination
Imagine that

Yeah!

Who Said, who said, I can't be world wide
I say, I say, time is on my side
Who said, who said, I can't be ten feet tall,
I say, I say, that I can have it all

Who said, who said, I can't be Superman,
I say, I say, that I know I can
Who said, who said, I won't be president
I say, I say, you ain't seen nothin' yet!
You ain't seen nothin' yet!
Whoa!
Yeah!
Who Said?
Cmon! Yeah!!

That's right!
