V! !! C-K-Y!

The sound of her name makes the little kids cry
OHHHHHHHH!

Hey Vicky!

You're so so icky
Just the thought of bein' round you
Makes me oh, so sicky

Hey Vicky

Won't you please explain
How you get so much enjoyment
Outta causing kids pain?

A chick who's just plain mean
A sour sweet sixteen
She a fire-breathing dragon
In a pair of black jeans!

Oh! Oh! Oh!

Hey Vicky

Would you tell us true
How we ever got the bad luck
To be stuck with you?

Oh, Vicky

Can we say one thing?
It's your super total yuckiness
That makes us wanna sing

Icky Vicky!

Ew! Ew!

Icky Vicky!

Ew! Ew!

Icky Vicky!
