\*mooing intro\*

I'm a cow can't you see that I live in the country  
Moooooooo-ooo, I'm a cow  
Hills are high, grass is green, headed for a fat holstein  
Moooooooo-ooo, I'm a cow

Chew my cud, eat my hay, same old damn thing every  
day  
Farmer Brown ain't what he seems, he gets off on  
milking me

I'm a cow cant you see that I live in the country  
Moooooooo-ooo, I'm a cow  
Get your mind out the gutter, get your hand off my  
udder,  
Moooooooo-ooo, I'm a cow

This old man he's on crack, he's a lactophiliac  
Nick-nack-paddywack give a dog a bone  
What's his wife say when she gets home

\*yodeling\*

His old wife, she makes cheese, colby, jack, swiss and  
brie  
In the red barn she can't see what he loves to do to me

I'm a cow can't you see that I live in the country  
Moooooooo-ooo, I'm a cow  
Farmer Brown, he's a creep, how he treats those poor  
sheep  
Moooooooo-ooo, I'm a cow

Now you know what I go through, I wish that I was born  
Hindu  
I'll pack my bags and trim my hooves, adios I'll think I'll  
moooooove
