KIM POSSISSBLE THEME

Oh yeah yeah

I'm your basic average girl
And I'm here to save the world
You can't stop me 'cause I'm
Kim-Possible
There is nothing I can't do
Do when danger calls
Just know that I am on my way (know that I am on my
way)

It doesn't matter where or when there's trouble
If you just call my name
Kim Possible

Call me, beep me if you wanna reach me
When you wanna page me it's okay
I just can't wait until I hear my cell phone ring
Doesn't matter if it's day or night
Everything is gonna be alright
Whenever you need me baby
Call me, beep me if you wanna reach me

(Kim here, so whats the sitch)
Message clear
I am here
let me reasure you
Im never gonna leave you alone
Im on way
If you notice Kim on me
When you get stuck ill help you see
I will help you find your way

It doesn't matter where or when theres trouble if you
just call my name
Kim Possible
I'm there on the double
You know that you always can call

Call me, beep me if you wanna reach me
When you wanna page me it's okay
I just can't wait until I hear my cell phone ring
Doesn't matter if it's day or night
Everything is gonna be alright
Whenever you need me baby
Call me, beep me if you wanna reach me

Call me, beep me if you want to reach me
if you want to page me its okay
Doesnt matter where doesnt matter when
Ill be there for you until the very end
Danger or trouble im there on the double
You know that you always can call
Kim Possible

Yeah-hey yeah-hey

Call me, beep me if you wanna reach me
When you wanna page me it's okay
I just can't wait until I hear my cell phone ring
Doesn't matter if it's day or night
Everything is gonna be alright
Whenever you need me, whenever you need me baby

Call me, beep me if you wanna reach me
When you wanna page me it's okay
just can't wait until I hear my cell phone ring
Doesn't matter if it's day or night
Everything is gonna be alright
Whenever you need me baby, call me beep me if you
want to reach me
