"Life With Derek Theme Song"

Visit "[Life With Derek Theme Song](#)" on MotoLyrics.com

It used to be my mother and my sister and me,
a happy little family, and alright with me. When mom
got married, that's when everything changed. Some
things were lost, and others were gained.
A new school, a new house, so many changes it makes
my head
spin. Now I've got a brother who gets under my skin.
This is life with Derek
This is life with Derek
This is life with Lizzie, Edwin, George, and Nora, Marti,
and Casey.
Livin' life with Derek
Livin' life with Derek.
