Meet a boy named Phil and his family
On vacation from the 22nd century
They got a rented time-machine and they're on their
way
To a time way, way, way back in the day

So now he's Phil , Phil, Phil of the Future
Keeping it together just as best as he can. Phil, Phil, Phil
of the Future
He's a 22nd century man, a 22nd century man

On a holiday through history,
But the final destination was a mystery
But something on the time-machine had blown
So they ended up right here in our time-zone

So now he's Phil, Phil, Phil of the Future,
Never knew in history just where he would land

So now he's Phil , Phil, Phil of the Future
Keeping it together just as best as he can. Phil, Phil, Phil
of the Future
He's a 22nd century man, a 22nd century man
