Suddenly, I fell in love
So deep in love, I can't recover
Suddenly, you smile at me
It had to be there is no other

Can't explain a reason why I
Love you, love you, love you, love you
Know that when love came to me
It came so suddenly

In my secrets dreams of love
I pictured that first kiss
But my wildest dreams of love
Never fashioned this

Suddenly, I took your hand
You held my hand
No words were spoken
Quietly, we walked alone and
Talked alone til dawn had broken

Found the words to tell you why I
Love you, love you, love you, love you
Know that when love came to me
It came so suddenly

In my secrets dreams of love
I pictured that first kiss
But my wildest dreams of love
Never fashioned this

Suddenly, I took your hand
You held my hand
No words were spoken
Quietly, we walked alone and
Talked alone til dawn had broken

Found the words to tell you why I
Love you, love you, love you, love you
Know that when love came to me
It came so suddenly
