I hate it when ever body is scared of the badman coz
He's scary, but deep down he's about as hard as a
fairy, I'll
Rape his mum if her fannys not to hairy,
And she's a muddafucking virgin like mary,

Soon ssimon cowell will be signing me a petition,
To be number one in the world is my ambition,
I guess I can do it it's my decision,

Soon I'll be the fucking talk off the town,
I'm the muddafuknig king so wheres my muddafuknig
crown,
I'll sell more records then jay sean -down,

My lyricks will get read more then a nursery full of
Kids reading noahs ark,
You might be a pittbull but I'm a fucking shark,
I'll drop bombs like a taliban in iraq,

Yeah I'm gonna doit I'll walk the walk and I'll talk the
talk,
I'll eat you like a cannabis stalk,
You may be black but I'm as white as chalk

I'm only 14 and writing my bars in school,
Everybody nos me as tom robbo the kid whos cool,
I'm gonna batter oli williams whatta fucking fool,
Sayin I was the one who took a knife when he was the
One who clearly broguht a tool,
