Baby you my everything  
You all I ever wanted  
We could do it real big  
Bigger then you ever done it  
You be up on everything  
Other hoes ain't never on it  
I want this forever  
I swear, I can spend whatever on it  
Cause she hold me down every time I hit her up  
When I get right I promise that we gone live it up  
She make me beg for it, till she give it up  
And I say the same thing every single time  
I say

[Chorus:]  
You the fucking best [x4]  
You the best I ever had  
Best I ever had [x3]  
I said you the fucking best.

[Drake:]  
Know you got a roommate  
Call me when there's no one there  
Put the key under the mat and you know I'll be over  
there  
(Yup! )  
I be over there  
Shawty I be over there  
I be hittin' all the spots that you ain't even know was  
there  
(Ha! )  
And you don't even have to ask twice  
You can have my heart, or we could share it like the last  
slice  
Always felt like you were so accustomed to the fast life  
Have a nigga thinking that he met you in a past life  
Sweat pants, hair tied, chillin' with no make up on  
That's when you're the prettiest  
I hope that you don't take it wrong  
You don't even trip when friends say, "you ain't  
bringing Drake along?"  
You know that I'm working

I'll be there soon as I make it homeeeee  
And she a patient in my waiting room  
Never pay attention to the rumors and what they  
assume  
And until them girls prove it  
I'm the one they never get confused with cause

[Bridge:]

Baby you my everything

[Nicki Minaj:]

Ayo you the only one that see the real nicki  
I can show you chill nicki cause of how you deal with me  
And they knock my blocks down you come and you  
build with me  
Even though you real busy he's that fucking real drizzy  
It's so amazing I figured out this world is ours for the  
taking  
I figured out that when I go out and those people  
scream  
That some of them are living bi-curiously thru me  
That's why I put the s on my chest and I'm gone  
But on another note let's have sex in my dorm  
And I'm a' make you beg cause you look pretty when  
you begging  
So meet me on the campus I'll be there around eleven  
So let me put my books down  
Excuse me if I look down  
Guess I'm a little nervous  
When I'm at your service  
Look at what you took downnnnnnnnn
