Up up up and away cuz I dont play clown

Tell this bitches that I'm not the one

Some uh dem might get away but I'm poppin one

I'm on the back uh the bike jus cockin guns

German helmet, pumps and Versace stuns

I am the ninja

Bitch name Ginger

Hope somebody got a couple limbs they could lend ya

Cuz I'm the president

Run up in ya resident

Say hello to the *boom* baddest bitch ya eva met

Buck Buck Buck Buck Buck Buck

When I come thru It get hotter than a soup kitchen

I leave clips in ya head like a beautician

I hit one, you hit one that mean two alive

But if they come back to Queens its a suicide

I got some killas better tell them bitches who am I

In Italy already chillin with the tour guide

Buck x8

Take that with you on the way down

Buck x8

Up up up and away cuz I dont play clown

[Ransom:]

Straight up

You can take this with you on the way down

AS long as my money gets paid up

MY weight up

Dont come into my lane with no lay ups

Get aid up

You see how much space ya boy take up

Usually I'm calm tho

But when it come to long dough

I dont aim for the vest hit you from the face up

When its in the palm tho
Turn into a john doe

I think bout this shit when I wake up
I dont wanna starve kids

SO I'm gonna retire in a lambo like (???) did
Aww shit

That new cash money
It's buck buck buck if dude act funny
I already told niggas dont do that to me
I'm blazin to fall
So watch what you say to ya ball
Take It witchu all the way to the mall
