[ VERSE ]

I push, p-p-push it, I p-p-push it like I'm in labor  
And he'll t-t-teach me to, teach me love my neighbor  
Just w-w-wait up, I'm processin' all the data  
Processin' all the data, p-p-processin' all the haters  
You was writin' disses, I was takin' pictures  
Signin' autographs for all of my bad bitches  
And in the nic of time it just dawned on me  
I am Nicki Minaj and it's all on me  
But hey, maybe I'll never win  
Maybe I'm settlin'  
I Can't let the devil in, I'm a comic book heroin  
But when the wind blows, I'm so Marilyn(I'm so  
Marilyn,Marilyn,Marilyn) A Write it down, take a  
pictures, bitches e-mail that  
I came to save a thing called female rap  
But I hope my ninja powers  
Don't fuck around and deffend you cowards  
You mad at me 'cus you think I got it easy  
If we was in the second grade then you would tease me  
Ya see, you still a little snotty nose hood rat  
I love Nicki scribbled all over you book bag  
I love you too, I just wish your mother would've hugged  
you too  
You know Nicki love the kids

Yellow brick road lookin' for the Wiz  
But when it rains, it pours for real  
Def Jam said I'm no Lauryn Hill  
Can't rap and sing on the same CD  
The public don't get it, they got A.D.D.  
See Nicki, follow the rules  
Go and say your prayers and get ready for school  
(Yeah follow the rules,let me say my prayers and get  
ready for school)

Dear God, I am only what you made me  
And I appreciate everything that you gave me  
But like, I don't wanna do it no more  
Sort of lost sight of what I'm doin' it for  
Thought i was doin somethin' good for the game  
Until they all started throwin' dirt on my name

Tell Debbie, I really, really tried  
That I said I'm sorry, but I have to say goodbye  
Tell Fendi, I'll never forget him  
And please tell Wayne I'll always be in debt  
( Yeah I'll never forget it, please tell Wayne I'll always  
be in debt)

AYYYYYY! Can anybody hear me?  
AYYYYYY! Can anybody hear me?  
AYYYYYY! Can anybody hear me?  
AYYYYYY! Can anybody hear me?
