Rihanna:

I came to win , to fight, to conquer ,to thrive

I came to win, to survive, to prosper to rise.

To fly x2

Nicki minaj:

I wish today it would rain all day

maybe that would kinda make the pain go away

trying to forgive you for abandoning me.

Praying but I think Im still an angel away,

angel away, yeah strange in a way.

Maybe thats why I chase strangers away,

they got their guns out aiming at me,

but I become near when they aiming at me.

Me, me, me against them me against enemies,

me against friends.

Somehow they both seem to become one a sea full of sharks

and they all smell blood.

They start coming and I start rising ,

must be surprinsing, Im just summising,

I win, fly, soar, higher, higher, higher, more fire.

Rihanna:

I came to win , to fight, to conquer ,to thrive

I came to win, to survive, to prosper to rise.

To fly x2

Nicki minaj:

Everybody wanna try box me in,

suffocating everytime it locks me in,

painting they own pictures then they crop me in.

But I will remain where the top begins

cause I am not a word

I am not a line, I am not a girl that can ever be defined.

I am not fly, I am levetation

I represent an entire genration.

I hear the criticism load and clear,

that is how I know that the time is near.

So we become alive in a time of fear,

and I ain't got no motherfucking

time to spare.

Cry my eyes out, for days upon days,

such a heavy burden placed upon me

but when you go hard your nay's

become yay's.
