It's going down, down Barbie
Pushing a pink Ferrari
I race through Africa
Just to see the safari
I am the baddest bi*tch
In America
Slicker than a jerri curl
Just ask Erica
The black Sarah Jessica
je-je-je-je-je-je-je
JESSICA!!
Don't be text messaging me
I never check my messages
Only thing you could ask me

Is how I want my sandwiches
I want more cheese
Lots and lots of cheese
And when I'm on the stage
I'm with SB's
And when you see my luggage
It says LV
And when I'm on the plane
It's so empty
Hmmm. That's why all those female rappers envy
HAHAHAHAHAHA
