She aint the next bitch tell that bitch fall back  
See im a hater I go hard listen lets begin  
You know her last name minaj she a lesbian  
And she aint neva comin out look at currency  
But every time she do a interview you kno I run and see  
She get me so sick it make me vomit

And you kno that I got some mo haters wit me might hit

(Chorus)(2x)

Still I rise still I fight still I might crack a smile  
keep my eyes on the prize see my haters tell em hi  
One day you'll remember this one day when we  
reminisce  
nothing I do ever is good enough for the music biz  
(nothing I do is never good enough for you)

(Verse 2)

nothing I do ever is good enough for the music biz
