Lil Wayne:

Hello world!
Young moola baby!

Nicki Minaj:

Murda dem,
Murda dem (Yea)
Just one word body a third of them (Nicki)
I kick kick game, can't injure Nicki (Minaj)
That's why they nick-nicknamed me Ninja Nicki
(Lewinsky!)

Nicki Minaj:

I'm such a yes
and your a no no,
live with a Dragon
And wear a kimono.
I'm from the Philippine,
better than Billy Jean
Guess that is why I get more head than an a guillotine.
but then I'm dumb struck
Cause you bums suck.
Where the um---where the fuck is my nunchuck.
I'm in tokyo
with the cokeio (*Cocaine aka Coke)
somebody sleepin in my bed like Nokio.
You gettin ill, I bet
poppin a pill again.
I'm on ah Island and I'm
lookin for Gilligan.
Where my timberland
I got'em tremblin
Can't find my keys but I know I hear them jingling.
Your such a Marilyn---Monroe and Manson
I'm got some heroin, wanna go dancing?
You at the door, ok
I'm bout to come now
I'm getting numb now
let me come now

Chorus(Nicki Minaj):

Sniffing on some good blow (Nicki Minaj!)

I'ts like I'm sippin on tha temple

& I can't come down now (I'ts the president ya'll &
that's the mistress)

Cause I'm higher than higher than higher than a kite.

Lil Wayne:

Young moola baby!

Yeaaa

I do what I does.

I come thru this bitch

risk blue and cuz

I'm so 5 star su woop to the bloods

and before I had a mirror I knew who I was.

I know where I'm goin

I knew where I was

Yea dat da da dirty dirty south

see my shoe full of mud.

Baby who can you trust?

Who can you love when love kills like somebody gave
Cupid a gun.

It go (BAW!)

Like you shooting for fun

& sometimes the solution is execution for some.

Besides, you don't want that intrusion at one, a.m

and the conclusion is you losing a son.

No inducing my funds

I smoke tha fruitiest blunts

I mean the stupidest buds

I get stupid as duh

I swear my doobie is uh---fat and just like it you can get
lit.

Shit don't stank when you shittin' in the bank.

When her man run an errand I'ma hit her like "Hey".

Look him in the eye and a nigga might blink,

Aim at his brain and a nigga might think.

Weezy

Chorus(Nicki Minaj):

Sniffing on some good blow (Young Money)

I'ts like I'm sippin on tha temple(Dirty Money)

& I can't come down now (Cash Money)

Cause I'm higher than higher than higher than a kite.

Lil Wayne:

Yo, It's the President man, and the Mistress, Ms. Nicki
Minaj. Aka Nicki Lewinsky. Yea. And I am the president,
shut yo mouth!
