Zippin I'm zippin I'm zippin
Soon as they come out I'm dippin
Big ass closet I'm trippin
Big booty stippers I'm tippin
Big ass chain I'm heavy
An it didn't cost me a penny
They pay me to rocket
Dam I got niggas in pocket
Superbowl grammys
What a hell of a jammie
All these bitches my sons
I'm a get em a nanny
Argentina for pepsi
Orlando all star
F*ck you said b*tch
F*ck you p*rn star
I ont do shot gun
I be drivin my own car
I ont do shots netha
I'm buyin the whole bar
Holy moly G cop me a roly
I ain't catchin the puck
But iced out like a goaly Nigga
I'm in the HOV lane
I'm in the HOV lane
(And you y-you-you, you? Soul train)

(And you y-you-you, you? Soul train)
I travel more than you walkin with a basketball
I'm out in Spain runnin games to the Matador
I'm in my own lane,
You ain't in my categor
You like a rav 4
I'm like the aventador
Perks and bags
man, I murk them ads
When I re up on reloaded

I'm a hurt them bad
Every shoot is hot
When I'm out I'm spotted

They gone frame the receipt
If I sign the dotted

N-n-n-niggas on banshees is speedin
Dirt bikes are out for the season
Back break wheelin and leadin
Dam a bitch late for a meeting
(n-n-n)

Nypd comin

Bellbock way we gunnin
Double our engine hummin
Actin a fool we dumbin

I'm in the HOV lane
