Uh, yo. Yo.

It was back in 07 did a couple of tapes.  
Did a couple DVD's make a couple mistakes  
Didn't know what I was doin' but I put on a cape.  
Now it's which world tour should I go on today?  
See, you told me I would lose but I won.  
Might cop a million Jimmy Choo's just for fun.  
'Cause bitches couldn't take whats in me Australasia to  
Sydney might run up in Disney out in la with Lindsey.  
Got the eye of the tiger the lion of June  
Now it's me and my time it's just me in my prime  
Everything I tried to teach em' they'll gonna see it in  
time.  
Tell the bitches to get a stick, I'm tired of leading the  
blind.  
Got two shows tonight that's Brooklyn and Dallas then a  
private party at the Buckingham palace.  
Which means I gotta fly like a movie no commercial  
That's young money, cash money yeah, I'm universal.

I feel it coming for me.  
Because the top is lonely.  
What the fuck they gonna say?  
What the fuck they gonna say?  
I'm the best bitch doing it,  
I'm the best bitch doing it.

Yo, yo  
I remember when I couldn't buy my mother a couch  
Now I'm sitting at the closing, bought my mother a  
house.  
You could never understand why I grind like I do.  
Makahyah and Julini why I grind like I do.  
Cause even when my daddy was on crack I was crack  
Now the whole album crack you aint gotta skip a track.  
I aint gotta get a plaque, I aint gotta get awards  
I just walk up out the door all the girls will applaud.  
All the girls will come in as long as they understand  
that I'm fighting for the girls that never thought they  
could win.

Cause before they could begin you told them it was the end but I am here to reverse the curse that they lived in.

Got two bones to pick I'm only going to choose one.  
You might get addressed on the second album which means you can breathe until I muthafucking say so.  
To all my bad bitches I can see your halo.

I feel it coming for me.  
Because the top is lonely.  
What the fuck they gonna say?  
What the fuck they gonna say?  
I'm the best bitch doing it,  
I'm the best bitch doing it.  
I'm the be be best.  
I am the Best!

Eh, it's okay.  
It's okay.  
Long as you know,  
Long as you know,  
Long as you muthafucking know, I am the best.

I feel it coming for me.  
Because the top is lonely.  
What the fuck they gonna say?  
What the fuck they gonna say?  
I'm the best bitch doing it,  
I'm the best bitch doing it.  
I'm the be be best.  
I am the Best!
