OH!
Fuck it
Give me that damn bucket
W when I throw this pussy you better not start ducking
Oh!
Yo!
H hit him with the blow
Look out in the crowd and everybody's yelling NO!
Grab him by his locks
And give us a good box
Hit him below the belt I wanna give him good TOP TOP
Give him good top
Hit him below the belt I wanna give him good top
One two three they yelling one two three
I outta hit him with the motherfucking car two piece
Tell em to mop out
Too late too cop out
Give em more head than tupays with the knockout
