Yo I could've been had fame
Jumps shot with a stupid ass aim
Cause you couldn't around the last name
So my crossover wins the last game
And it's ill, right
Switched up the flow, but it's still right
Throw back to that, yea I still might
I'mma just do me, when it feel right uh
You can bring it any day
Natural Bad Ass, NBA
That's my initials
That's why official
Don't blow the whistle
Bang Bang the pistol
And I'm and I'm bossy
Can't keep these hoes up off me
Damn the floor nasty, coffee
Don't treat me like the poke and cost me

[Natasha Bedingfield - Chorus]

Yea this is my last chance ohhh, last chance ohhh
Yea this is my last chance, then shoot
I'm ready to shoot
I'm ready to shoot (ready to shoot)
I'm ready to shoot (ready to shoot)
I'm ready, I'm ready to shoot (ready to shoot)
I'm ready, I'm ready to shoooooot
I'm ready to shoot

[Nicki Minaj - Verse 2]

I get it in though
No sexual innuendo
Nobody that I can just depend on
Until I touchdown in the end zone
And then they come out like roaches
P-P-Peck it away like vultures
But little did they know
Distribute the payroll
Pick up the album, pick up the single
Sadly, I'm so business savvy
Similar protocol but the templates vary
Never been like me and never been like this

My flows are crisis they scream in high pitch
Uh gun cock, pause
And I'm well aware of the gun laws

[Natasha Bedingfield-chorus]
Yea this is my last chance ohhh, last chance ohhh
Yea this is my last chance, then shoot
I'm ready to shoot
I'm ready to shoot (ready to shoot)
I'm ready to shoot (ready to shoot)
I'm ready, I'm ready to shoot (ready to shoot)
I'm ready, I'm ready to shoooooot
I'm ready to shoot
