Aye girl, yeah, you da business so what da business  
Don't be shy, I'm just talkin' to you girl  
Aye ma, yo, where your man at? I know you got that  
'Cause you too fine to be single out here

Girl, he at home but he done f\*\*\* up, I swooped his girl  
up  
And what I'm about do to you, he'll feel I did him wrong  
'Cause I'm about to have a Minaj, ah, with his lady  
And some freaks at the bar who like f\*\*\* with a star

I told her, "If you're comin' with me, really comin' with  
me  
You go get some girls and bring them to me"  
If you're comin' with me, really comin' with me  
You let her put her hands in your pants, be my lil' freak

Yeah, be my lil' freak, yeah, be my lil' freak  
You let her put her hands in your pants, be my lil' freak  
If you're comin' with me, really comin' with me  
You let her put her hands in your pants, be my lil' freak,

Ooh, and you rockin' like a pro with it, girl  
By the way, you got right on that with the chick you

Got that dasher, dancer, prancer
