Let's play big bank, take little bank
You are looking at a shark in a fish tank
When I'm in the kitchen, I make plenty cash
Tell shawty come here, she got plenty a**

Chorus:

Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers
In my foreign car, got the trunk by the engine
So when I back back, I'm fronting on you niggas

Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers
In my foreign car, got the trunk by the engine
So when I back back, I'm fronting on you niggas

First I back back, Louie back pack
Where's Paris Hilton? Where's Kat Stacks?
I'm round four with this ammunition
My camo come from Tru Religion
Them broke hoes can't pay attention
Your cutie missing, New Edition
Mr. Telephone Man, there's something wrong with my
line
When I call my baby's number, I get a click every time
Every line is dope, you can snort it
Working in the pot, I can make you do aerobics
I'm haterphobic, they mad cause I'm winning
They busy high and catching, mad cause I'm pinching!
All my bitches different, all my diamonds glistening!
My weed so loud, everybody listen!
They say it's for the birds, so I bought a kilo!
My Boost Mobile chirping, it must be my amigo!

Chorus:

Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers
In my foreign car, got the trunk by the engine
So when I back back, I'm fronting on you niggas

Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers
In my foreign car, got the trunk by the engine
So when I back back, I'm fronting on you niggas

Nicki Minaj:

Tell Tyga, lookin for this bitch called Blac Chyna
Take a nigga bitch in a hot flash, metapause hot flash
Yes that's why I'm crowned Queen
And I ain't looking for the Prom King
These hoes' career's ain't promising
Killing these bitches, crime scene
Oooh, that's how a bitch do it
Fifty black trucks gon' follow when I pull up
Dick shit hit you in the chin like a pull up
My door so cocky, my door so stuck up
Oooh, hop up out the space car
Bitches stay pressed, I call them a spacebar
Man I wish a bitch would, hundred-thousand dollar
engine, I wish a bitch could

Chorus:

Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers
In my foreign car, got the trunk by the engine
So when I back back, I'm fronting on you niggas

Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers
Yeah, I love dem strippers

In my foreign car, got the trunk by the engine
So when I back back, I'm fronting on you niggas
