[Drake]

I like a woman with a future an a past  
A little attitude prob all good it'll make the sh--- last  
Don't make it too easy girl, don't take it too fast  
Yeah, that's it, right there, that's it  
Do it just like that  
Only you could it just like that  
And I love it when your hair's still wet  
Cause you just took a shower  
Running on a treadmill, an only eatin salad  
Sound so smart, like you graduated college  
Like you went to Yale, but you probably went to Howard  
knowin you,  
Weekend in Miami, tryina study by the pool  
Couple things do, but you always get it done  
Mighta been a time when I loved her too  
But you take that away, girl you always been the one  
One, I wonder why the moon looks nice girl  
Maybe it's just right for the night  
You said nig--- comin on too strong girl  
They want you in their life as a wife  
That's why you wanna have no sex  
Why you wanna protest, why you wanna fight for your  
right  
Cause you don't love them boys, pus--- run anything  
Fu--- that noise

[Hook]

I know things get hard  
But girl you got it, girl you got it there you go  
Can't you tell by how they lookin at you everywhere you  
go  
Wonderin what's on your mind, it must be hard to be  
that fine, when all these mutha... wanna waste your  
time  
It's just amazing, girl, and all I can say is...  
I'm so, i'm so, i'm so, i'm so, i'm so  
proud of you  
I'm so, i'm so, i'm so, i'm so, i'm so  
proud of you  
I'm so, i'm so, i'm so, i'm so, i'm so  
proud of you

Everything's adding up, you've been through hell and  
back  
That's why you're bad as f...and you

B-b-b-bet I am  
All of them bitches I'm better then  
Mansions in Malibu babblin  
But I never mention everything I dabble in  
And I always ride slow when I'm straddlin'  
And my shit's so wet you gotta paddle in  
Gotta ro-ro-row, gotta row ya boat  
It's Pink Friday records and OVO  
Done did the pop tour, I'm the realest deal, best legal  
team so the deals is ill  
It's Mac, OPI and a fragrance too  
Apparal, I'm dominating every avenue  
Cobble stone, good view, lil gravel too  
Gotta pay for the entourage travel too  
Cause I'm fli-fli-flying high  
Aint got time to talk, just Hi and bye bitch  
But baby you can ask me to take a break  
I'll give it all away, don't care what the people say  
I'll be a million, billion, trillion miles away  
He asked my sign, I said a Sagg'  
I'm a star, Sheriff badge,  
Whats the point? If I'm guarded  
Double D up hoes, Dolly Parton
