"Pony Tail"

(feat. Mya)

[Nicki Minaj:]

Damn right a Bitch Qualified
I should work for Homicide
Kill these guys, Put em on forensic files
Uh... M-M-Man down when I bring da Lamb round
He say nicki u da best Hands down
Flyer than a Airlift
Pull it with no hairclips
Ponytail, no Scrunchie
Parrachute, No bungy
Peggy and Al Bundy
Ballin like Van Gundy
Alligator Heels on
Crocodile Dundy...

[Mya:]

Let me get that,
Slick back, put my hair in a ponytail, (ponytail),
And if you get that
Pull that
From da back, baby can you make me wet, (make me
wet)

O oh oh...
That's fine
Oh oh oh
All night... If you Qualify

Just let me get that,
Slick back, put my hair in a ponytail, (ponytail),

Pull it, Pull it
Pull it, Pull it
Pull it Pull it
