Chorus

You see right thru me
How do you do that shit x3
How do you x5

Verse 1

You let me win
You let me ride
You let me rock
You let me slide
And when they lookin'
You let me hide
Defend my honor
Protect my pride
The good advice
I always hated
But lookin' back
It made me greater
You always told me
Forget the haters
Just get my money
Just get my weight up
Know when I'm lieing
Know when I'm crying
It's like you got it
Down to a science
Why am I trying
No you aint buyin'
I try to fight it
Back with defiance
You make me laugh
You make me hoarse
From yelling at you
And getting at you
Pickin' up dishes
Throwin em' at you
Why are you speakin'
When no one asked you

Chorus

You see right thru me
How do you do that shit x3
How do you x5

You see right thru me
How do you do that shit x3
How do you (do that) x5

Verse 2

What are we doin'
Could you see thru me
Cause you say Nicki
And I say who me
And you say no you
And I say screw you
Then you start dressing
And you start leaving
And I start crying
And I start screaming
The heavy breathing
But what's the reason
Always get the reaction you wanted
I'm actually frontin'
I'm askin you somethin
Yo.?
Answer this question
Class is in session
Tired of lettin'
Passive aggression
Control my mind
Capture my soul
O.K your right
Just let it go
O.K you got it
It's in the can
Before I played it
Yo knew my hand
You can turn a free throw to a goal
Nigga got the peep hole to my soul

Chorus

You see right thru me
How do you do that shit x3
How do you x5

You see right thru me
How do you do that shit x3
How do you x5

Stop!
Stop!
Would you just stop lookin' through me
Cause I can't take it
No I can't take it

You see right thru me
How do you do that shit x3
How do you x5

You see right thru me
You see right thru me baby
You see right thru me x2
