[Roman Zolanski , Verse 1]

I'm big wheeley no bike gear  
I told you bitches last year  
I'm a rap bitch nightmare  
That's why I call you buzz lightyear  
Cause by the time you start buzzin'  
Bitch you gon' have white hair.

Paparazzi was a fright scare  
When I landed out in London  
It was looking like Mike Dare,  
Mike Jack who's bad,  
Ain't on my period  
But I got a new pad.

Channel 5,  
News flash,  
Pussy clean,  
Who smashed?  
None of ya'll, canary yellow ball  
These bitches should be worshiping me in a synagogue

Hum, hum, done the prayer  
B-b-b-bitch I ball underwear , OH  
Hum, hum, done the prayer  
Did I tell them that I ball underwear.

Okay roman,

y'all want the full  
Roman, y'all want the full  
Roman, y'all want the full  
Roman, y'all want the full

Bitches is insane,  
These bitches ain't in my lane  
Only bitches on the plane  
Is bitches that give me brain.

[Verse 2] - - -

Heron,  
This shit is lethal  
Roman,  
This is the sequel

Moscow,  
That's where I keep him under  
He's fully charged

Your favorite rapper probably suck  
As for me icy hockey puck.  
Anyway I'm on that new shit,  
Every trend I introduce it,

Motherfuck you with a big dick,

I'm a racist, I'm a bigot,  
Bitch i'm thicker than a midget,  
Yeah i'm crazy just a smidget,  
Motherfuck me get my wumble,  
And some candy for my nozzle.

Hold on,  
Fuck you,  
Brace yourself,  
Buck tooth,  
Yeah I golf  
Putt two  
Swallow balls

nuts toooooooooooooooooooooo-oooooooooooooooo-oooooooooooooooo-ooooooooooooo  
Cameltoe.

Roman,

y'all want the full  
Roman, y'all want the full  
Roman, y'all want the full  
Roman, y'all want the full

Bitches is insane,  
These bitches ain't in my lane  
Only bitches on the plane  
is bitches that give me brain.

Yea,  
Ain't no motherfuckin bridge bitch,  
Ain't no motherfuckin hook,  
Ain't no motherfuckin third motherfuckin verse  
Roman's back bitch,  
I fucked up your life last year this time.

Remember that?  
Remember that bitch?  
Remember that bitchhhhhhhhhhh?

I double dog dare you,  
I double dog dare you,  
I double dog dare any one of ya'll bitches to come out.
