Shawty got me love trippin
Can't control myself cause I'm so into her
Cause we doin it like nobodys around
And when I do it I canhear her make the sounds

H-h-had the girl singin singin like me
She be like oh [x6]

Sit that pussy on my bottom lip
And after that you know we gotta switch
My house so big that bitch came with a lobby
We didn't use a rubber but I came on her body
I lay her down and kiss her neck
Talk dirty to her
Like I get that pussy wetter than a dirty sewer
Fuck you mean tunr around and bust it open for me
Get on that dick and get that money
Go oprah for me
All you girls don't like me cause they know you love me
But if you scared go to church it's open sunday
I d-dig in that pussy
That's what I found
Tunechely and nick
