Got that supersoaker
pussy pop like cola coka
plus its tighter than a choker
got u smiling like the joker
i got that na-na-na-na-na-na-na lil mermaid on my linen
when yo mama sleeping u can call me and get all up in
it
bankroll give me all them pretty furs
cuz my pussy game cold when he hit it he say bur
he say burr burr burr burrr
ima ima marry her and he play with that pur like he
struming his guitar
thats me i am minaj i am nick nicki minaj
if u wanna minaj keep a couple pretty broads
head game busy busy make a nigga dizzy dizzy
bitch im at that slumber party sipping on that fizzy
chrissy
