- Lil Wayne

Yeah, uhuh

Hahaha
Young Money, Streets

I'ma east sider rider, whoa kemosabe
Bitches get to stepping like Cole, Gina, Tommy
Pussy is a weapon and my hoes think I'm Simon
And simon say go and get my mother fucking money
Young Mulah bitch, tell them hoes, take their clothes
off
And I don't hunt birds, but I'll shoot you in your mohawk
Yeah, flow nasty like coleslaw
Call me mister no flaw

- Gudda Gudda

Yeah, I sip drank and pop pills till I dose off
Wake up, grab the mic then I goes off
Too G for office, boss of all bosses
Crucify rappers, nail niggas to the crosses
I'm fresh out the slaughterhouse, blood on my apron
We Louisanimals, watch me let the gators in
I'm going on my paper run, a week at the Days Inn
Icing on my fingertips, I be getting cake in

- T-Streets (Chorus)

I be getting cake then
Watching for the rats and trying not to get snake bit
It's that pointing at your face shit
And if you scared, you better go and see Mase bitch
David Banner on the beat hoe
And I beat the beat up like Dee Bo
I got the game on TiVo
So I guess you can say The Streets Is Watching

- Jae Millz

I don't promise much but I promise youll love the flow

boy

Name Jae, but you can call me Millzbury Doughboy
Silence on the nine but, the chopper make more noise
And if the bitch scream, I'ma pop her, no noise
Bank account type solid, Truck nice and brolic
The rims sticking out like the shoulders on Dwight
Howard
You niggas ain't G's, you gents and quite coward
But I'll put you higher than flight pilots

- Gudda Gudda

I am petrifying, the metal turn to lightning
Burn through your clothes like an iron
I am no american idol, no Simon Cowell
Wack niggas throw in the towel
I'm getting money with the rap, pay me by the vowel
I'm hungry like a pack of wolves so I just howl
Holla, Cash rules everything around me
So I'ma get the money, dolla dolla bills in them
hundreds

- T-Streets (Chorus)

I be getting cake then
Watching for the rats and trying not to get snake bit
It's that pointing at your face shit
And if you scared, you better go and see Mase bitch
David Banner on the beat hoe
And I beat the beat up like Dee Bo
I got the game on TiVo
So I guess you can say The Streets Is Watching

- Nicki Minaj

So could you pass me the keys to the Tonica
I mean Tonka, That's the truck bitches
Fuck you and fuck all of you fuck bitches
Matter of fact, put some sprinkles on my cupcakes
And get ready to put your dimples in this duct tape

- T-Streets (Chorus)
