[Lenny Harold, Nicki Minaj]

Yeah Uh
Change yea
What you're thinking
Can I change your mind
Second to none, in crowd
It's how we do it, yea
Nicki Miraj

Ah, sh** I got this whips is topless
yall couldn't see me looking through binoculars
Look second to none all we do is drop this,
Six to six flow so I roll with dodges.
And I'm in the club, everybody wanna dub
Sip a little bub and I probally wit a thug
Play hard to get, but I'm thinking bout it,
So you whisper in my ear, what you thinking shawty?

[Lenny Harold, verse 1]

Hey, tryina' do withcha cause shawty cause I deal with
you
You keep me inside of those try to guess what to do
next
Should I stay or should I go
Is difficult to love ya,
When you don't know what you want,
And you're left with decisions while I got cloudy visions
You know

[Chorus]

Shawty, what you're thinking?
You know
What got you thinking, let go
I know that you know, you want this love,
You know that I know,
You're thinking oh. (x2)

[Lenny Harold, verse 2]

Hey, it's burning me up, just wanna get close to ya
And you're playing games with this attraction,
Shawty I got a it bad it's pathetic
Oh, I just wanna understand, you're leading me for a
reason
You know
I see it in your eyes thinking on the same line,

So come and take it baby

[Chorus]

Shawty what you're thinking?
You know
What got you thinking, let go
I know that you know, you want this love,
You know that I know,
You're thinking oh. (x2)

[Lenny Harold, verse 3]

You got me thinking
Why is it so hard for you to make your move?
Make your move
Shawty make your move
When it's what you want, girl
So why you're running from your feelings
When you know how to handle it, yeah?
