[Nicki Minaj]

Chimpanzee's is hatin' , but I take it all in stride  
Put her in a jungle with bananas on the side  
Told you they'd revive your career, but somebody lied  
I aint talking poultry when I say this chicken's  
friiiiiiiiiiiiiied

Anyway Britney, why they so jealous that you teamed  
up with me

Tell 'em they my sons, yup, gal dem a' me pitney  
Anyway, brembedell , whats that, I don't know but,  
femme fatale  
Sniff, sniff, cryyyyy, I done slayed your whole entire  
fucking lifeeeeee  
Oh oh, you got some Epson Salt  
I done balled all day you aint left the court  
What, what you tired, you need a break  
You was hot when? Ricki Lake!
