It's not chipped, we're not cracked  
Oh, we're shattered  
Mariah, Young Money  
Nicki Minaj, you're such a Barbie

Yo, Mariah, I was in a million dollar meetin' he was  
cheatin'  
All up in the church he was sneakin' with the deacon  
Cat's away while the mice will play  
L-O-L, smiley face, have a nice day

'Cause pop, pop, pop, there goes my rubber band  
So stop, stop, stop censoring that contraband  
'Cause you was penny pinchin', my account's laced  
Attention, about face

I thought we had something special and we had  
something good  
But I should have had another mechanic under my  
hood  
If you see me walkin' by you, boy, don't you even speak  
Pretend you're on a sofa and I'm on the TV

Might see me on a poster, see me at a show  
But you won't see me for free, boy, this ain't no promo

Actin' all shamed now  
Wherever you been layin' you can stay now  
Gotta board the BBG and pull the shades down, I'm on  
the plane now  
And don't keep callin' from your momma house

When I break, I break, boy  
Up out my face, boy, up out my face, boy  
Up out my face, I break  
Up out my face, boy, up out my face, boy  
Up out my face, I break

You ain't ever gonna feel this thing again  
You gon' get a lot of calls 'cause I cc'd all your friends  
I ain't walkin' around all mopey and sad  
That ain't even my bag, baby, I break

So look who's cryin' now, boo hoo hoo  
Talkin' about you're missin' your boo, hoo hoo  
I know you ain't getting it, I know you ain't hittin' it  
No, you ain't a rapper so you need to stop spittin' it

Ha, ha, ha, ha, ha, you'll wonder who I'm messin' with  
While you ain't next to me  
I'm going bye, so pay the consequences  
'Cause you acting all ignorant

So you ashamed now  
Wherever you been layin' you can stay now  
Gotta board the BBG and pull the shades down, I'm on  
the plane now  
And don't keep callin' from your momma house

When I break, I break

Stylin' on them big B's with the Benz out  
Elevator, press P for the penthouse  
Top dogs, yeah, we break like tacos  
Roscoe's on his knees with a snot nose

They be like, "She next", Kawasaki, T-Rex  
Give him some Kleenex, match his little V-necks  
Oh, that's what he left? Let his momma pick it up  
Might back up on it, vroom-vroom, with a pick-up truck

That blue and yellow, yeah, that's the Carmello Jag  
I bob and weave and hit them with the Mayweather jab  
I get the thumbs up like I'm hailin' a yellow cab  
My flow nuts like I'm hotter than a yellow tag

'Cause when I break, I break, I break  
And no super glue can fix this s\*\*\*  
When I break, I break, I break  
Not even a welder and a builder can rebuild this s\*\*\*

When I break, I break, I break  
Not even a nail technician with a whole lot of gel and  
acrylic can fix this  
When I break, I break  
If we were two Lego blocks even the Harvard University  
Graduating class of 2010 couldn't put us back together  
again

When I break, boy  
Up out my face, boy, up out my face, boy  
Up out my face, I break  
Up out my face, boy, up out my face, boy

Up out my face, I break

You ain't ever gonna feel this thing again

(I told you, I put, I put your stuff on the sidewalk)

You gonna get a lot of calls 'cause I cc'd all your friends

(I will go over every nook and cranny with a pick-up truck)

I ain't walkin' around all mopey and sad

(Like straight up and down, this is Nicki Minaj, if they ask about me)

They're collecting my bags, baby, I break boy

Up out my face boy, up out my face boy

Up out my face, I break

Up out my face boy, up out my face boy

Up out my face, I break
